Product Change Request

Cannabis-Related Business Banking — Colorado & Michigan

1. Overview

Commercial Banking requests approval to open deposit accounts for licensed cannabis dispensaries in Colorado and Michigan. This submission covers two prospective customers and their beneficial owners, described below, along with the vendor relationship supporting cash logistics for these accounts.

2. Prospective Customers

- **Green Leaf Dispensary LLC** — a state-licensed retail cannabis dispensary operating in Denver, Colorado. Customer type: cannabis dispensary (retail). Beneficial owner: **Marcus J. Holloway** (51% ownership).
- **Great Lakes Cannabis Co.** — a state-licensed cannabis cultivation and retail operation in Ann Arbor, Michigan. Customer type: cannabis dispensary (retail and cultivation). Beneficial owner: **Sarah Kim** (100% ownership).

3. Jurisdictions

Both prospective customers operate exclusively within their respective states' licensed cannabis programs: Colorado and Michigan. Neither customer has operations in any other jurisdiction at this time.

4. Transaction Profile

- Cash deposits: estimated 75-85% of total deposit volume for both customers, reflecting limited access to card processing.
- ACH transfers: payroll and vendor payments, estimated 10-15% of volume.
- Armored car cash pickup: scheduled twice weekly per location.

5. Vendor Relationships

Both customers use **Summit Peak Vendor Services** for armored car cash transport and secure cash counting. This vendor relationship is disclosed for screening as part of this change request.

6. Target Launch

Commercial Banking requests a target decision date within two business days of submission, consistent with FCRM's standard turnaround for change requests of this type.
